INSTANT EFFECT

AGAINST LIGHT SWEATING

SweatStop® Instant Hand Lotion

SweatStop® Instant to treat damp hands can be applied as needed during the day. The effect takes place immediately, binds sweat on the skin and keeps hands dry up to 30 minutes. To fight increased or strong sweating the product needs to be applied in combination with the product Forte max Spray.

50 ml
Item Number: 9008

SweatStop® Foot Powder

Apply to the soles of the feet in the morning or as needed. Binds perspiration on the skin and thus ensures a pleasant foot climate.

SweatStop® Menthol Foot Powder
100 g
